 - Pullman Cannes Mandelieu Royal Casino
 - 15 min walk from Pierre&Vacances
 - meeting point: 19h45 at the reception

Please check the shuttle departures

TOP 2014 - 7th International Workshop on Top-Quark Physics
Sunday 28 September - Friday 03 October 2014
Cannes, France

Wednesday 01 October 2014

Session 7": combinations: tools, methods and systematic comparison (08:50-10:30)

Chair: Roberto Chierici

Scientific secretary: Elvire Bouvier

08:50 Excursion instructions - Frederic Deliot

09:00 Review of recent LHC combination - Giorgio CORTIANA

09:30 Review of recent Tevatron and world mass combinations - Yvonne PETERS

10:00 Top mass: interpretation and theoretical uncertainties (from Tuesday) - Andre HOANG

Coffee/tea break (10:30-10:50)

Session 8: boosted tops (10:50-12:35)

Chair: Sabine Crépé-Renaudin

Scientific secretary: Romain Kukla

10:50 Boosted top: tools overview and theoretical developments - Mihailo BACKOVIC

11:35 Boosted top: experimental tools overview - Emanuele USAI

12:05 Experimental results in the boosted regime - Johannes ERDMANN

Lunch (12:35-13:35)

Excursion (14:15-18:40)

Conference diner - Pullman Cannes Mandelieu Royal Casino (20:00-23:00)
