Status of three-neutrino mixing

dimanche 15 mars 2015 08:30 (20 minutes)

The status of known and unknown three-neutrino parameters will be briefly reviewed, providing an introduction to subsequent talks in the neutrino session.

Auteur principal: Dr LISI, Eligio (INFN, Bari, Italy)

Orateur: Dr LISI, Eligio (INFN, Bari, Italy)

Classification de Session: Neutrino Physics

Classification de thématique: Theory
