

# GRAND Workshop

## mardi 10 février 2015

### Experimental input from other neutrino detectors - 1213-RC11 (16:30 - 18:20)

-Présidents de session: **Thierry Pradier**

| time  | [id] title                                 | presenter                 |
|-------|--|---------------------------|
| 16:30 | [11] Cosmic particle detection in ANITA    | VIEREGG, Abigail          |
| 17:00 | [35] Input from ARA                        | O'MURCHADA, Aongus        |
| 17:30 | [31] Neutrino search in ANTARES and KM3Net | Dr VAN ELEWYCK, Véronique |
| 18:00 | [32] Discussion                            | M. PRADIER, Thierry       |
