

# Gennady S. Bisnovaty-Kogan

Email: [gkogan@iki.rssi.ru](mailto:gkogan@iki.rssi.ru)

## Current position

**National Research Nuclear University  
'MEPhI', Moscow, Russia**  
*Professor*  
**Space Research Institute RAS, Moscow,  
Russia**  
*Main scientific researcher*

G. S. Bisnovaty-Kogan is author of over 350 scientific publications and 2 monographs. He has a strong research activity and in the same time he is professor in National Research Nuclear University.

Member of the editorial board of journals 'Astrophysics' (Armenia), 'Gravitation and Cosmology' (Russia), 'Transactions of Astronomy and Astrophysics' (Russia).
