*Visit of NCSA to CC-IN2P3, Lyon, May 27th, 2015*

# Welcome

Welcome to NCSA  
representatives to our  
site

# Workshop goals

- for the LSST team members of both NCSA and CC-IN2P3 **to get to know each other**
- to identify **areas of operational concern** common to both sites
- to identify **areas of future LSST technical collaboration**
- to build a **broader institutional partnership** between NCSA and CC-IN2P3

# Agenda

- <https://indico.in2p3.fr/event/11723/>
- Time allocation is not strict, in order to **take the time to discuss** whatever is considered relevant
- Let's make this meeting as **interactive** as possible

# Coffee and lunch

- Coffee and tea breaks will be served in this room
- We have scheduled breaks, but don't hesitate to help yourself at any moment
- We will have lunch at the nearest campus restaurant

# Machine room

- Visit to the machine room scheduled tomorrow after lunch

# Social diner

- Tonight 8 p.m. at “Maison Villemanzky”
- Details on the agenda page
