

CORe+ meeting

mardi 29 septembre 2015

Parameters and extension to standard cosmology: Moderators: F. Bouchet/A. Melchiorri/L. Verde - Amphi Buffon (15:45 - 16:45)

time	[id]	title	presenter
15:45	[60]	A. Melchiorri: Extensions to the standard model	
16:00	[61]	J. Errard: Forecasts in the presence of foregrounds	
16:15	[62]	J. Chluba: Constraining recombination physics with CORe++	
16:30	[63]	K. Kunze: Constraining primordial magnetic fields with CORe++
