

New Possibilities in Physics of Quarkonia

vendredi 25 septembre 2015

Quarkonia: Assorted Topics - Amphi Darboux (09:30 - 13:00)

time	[id] title	presenter
09:30	[8] Heavy Quark Masses from Lattice QCD	Prof. HEITGER, Jochen
10:00	[9] Charge Distributions in the heavy-light systems - Lessons from Lattice QCD	Dr GÉRARDIN, Antoine
10:30	[12] Pentaquarks with heavy quarks	Prof. RICHARD, Jean-Marc
11:00	Coffee Break	
11:30	[11] Dark Matter Portals	Dr ARCADI, Giorgio
12:00	[6] Prospects of quarkonium physics with the CMS experiment	KRÄTSCHMER, Ilse
12:30	[10] Quarkonia at Belle-2	Dr KOU, Emi
12:45	[13] Discussion
