Hadoop Hands-on

jeudi 10 décembre 2015 13:45 (3 heures)

Presentation and hands-on afternoon.

Participants need to configure laptop and create accounts on the StratusLab cloud infrastructure and on the SlipStream Web interface:
- StratusLab cloud:
nbsp;nbsp; - register: https://cloud.lal.stratuslab.eu/register/register/
nbsp;nbsp; - create SSH key: $ ssh-keygen
- SlipStream Web interface:
nbsp;nbsp; - register: https://slipstream.stratuslab.eu
The SlipStream interface will be configured during the tutorial.
Send the SlipStream username to use the Hadoop deployment.

Orateur: Dr CAVET, Cécile (APC)
