

# Physics opportunities with the SPIRAL upgrade

## mardi 9 février 2016

### ACTAR TPC, nuclear structure and reactions with accelerated beams (14:00 - 16:00)

time	[id] title	presenter
14:00	[19] ACTAR TPC: First experiments with SPIRAL1 beams	Dr GRINYER, Geoffrey-Fathom
14:30	[1] Role of nuclear structure in fission around neutron-deficient Pt	Dr CAAMAÑO, Manuel
14:50	[34] Near and sub-barrier fusion of neutron-rich light nuclei	Dr CHBIHI, Abdou
15:10	[53] Spectroscopy of light nuclei at the drip lines	Dr CAAMAÑO, Manuel
15:40	[52] Feasibility of SPIRAL beams
