

# Instrumental section of the White Paper

## 1 - Mission profile

- Bertrand Cordier - SVOM mission profile

## 2 - Instruments

- Jean-Luc ATTEIA - Instrument characteristics : ECLAIRS
- Shuang-Nan ZHANG - Instrument characteristics : GRM
- Jianyan WEI - Instrument characteristics : GWACS
- Diego GÖTZ - Instrument characteristics : MXT
- Yulei QIU - Instrument characteristics : VT
- Stéphane BASA - Instruments characteristics : F-GFT
- Liping XIN - Instrument characteristics : C-GFT
- Maria Grazia BERNARDINI - ECLAIRs-GRM system

## 3 - The SVOM scientific ground segment

- Maohai HUANG - The Chinese science center
- Arnaud CLARET – The French science center

# Instrumental section of the White Paper

The total instrumental section should not exceed :  
5.5 pages of plain text, plus 3 figures maximum.

→ Please provide me with the part about your instrument, condensed in less than 1 page of text which may include 1 table, as well as 1 figure maximum and references:

- instrumental concept
- expected scientific performances
- main scientific data provided by the instrument (very short).

Scientific advisor Jacques Paul :

Coordination of instrumental part of White Paper → Stéphane Schanne

→ Please provide me with your instrumental contribution by :  
Monday 25th of April → [s.schanne@cea.fr](mailto:s.schanne@cea.fr)
