

# Dark Matter and Stars

## mardi 7 juin 2016

### Stellar properties and dark matter - Salle Panoramique (09:30 - 12:30)

time	[id] title	presenter
09:30	[4] Seminar - DM and the Sun: capture, high-energy neutrinos and introduction to the solar abundance problem	SCOTT, Pat
10:30	Coffee	
11:00	[5] Seminar - DM and the Sun: generalised nuclear couplings and implications for the solar abundance problem	VINCENT, Aaron

### Stellar properties and dark matter - Salle Panoramique (14:30 - 16:00)

time	[id] title	presenter
14:30	[3] Seminar - DM in stars: impact and constraints from asteroseismology	LOPES, Ilidio
15:30	Coffee
