

LJO international conference on Composite Models, Electroweak Physics and the LHC

Monday 05 September 2016

Composite Dynamics - Amphi Dirac (09:00-10:00)

time	[id] title	presenter
09:00	[65] Welcome words	Dr TIEULENT, Raphaël
09:15	[43] Composite Higgs and Yukawa coupling in walking gauge theories	Prof. HASHIMOTO, Michio

Composite Dynamics - Amphi Dirac (10:30-12:30)

time	[id] title	presenter
10:30	[44] Non-perturbative analysis of the spectrum of meson resonances in an ultraviolet-complete composite-Higgs model	Dr FRIGERIO, Michele
11:30	[50] Asymptotic Safety Beyond the Standard Model	Dr KOWALSKA, Kamila
