

# LIO international conference on Composite Models, Electroweak Physics and the LHC

## mardi 6 septembre 2016

### Composite dynamics - Amphi Dirac (09:00 - 10:00)

time	[id] title	presenter
09:00	[51] Hunting Composite Higgs model UV completions in di-boson and ttbar searches at the LHC	Dr THOMAS, Flacke

### Composite dynamics - Amphi Dirac (10:30 - 12:00)

time	[id] title	presenter
10:30	[52] (Accurate) Predictions for New Strong Dynamics at the LHC and Future Colliders	Dr BUARQUE FRANZOSI, Diogo
11:15	[53] Flavoured opportunities from strong dynamics	Dr NARDECCHIA, Marco
