

Theorie LHC France workshop

lundi 7 novembre 2016

Higgs (new) physics - Auditorium Joliot-Curie (11:00 - 13:00)

time	[id] title	presenter
11:00	[0] Standard Model Higgs studies at the LHC	Dr MANSOULIE, BRUNO
11:30	[1] Higgs-boson pair-production in the Standard Model and beyond	BAGLIO, Julien
12:00	[2] Characterizing the Higgs boson properties in the Standard Model Effective Field Theory framework	M. MIMASU, Ken
12:30	[3] LHC results on extra Higgs searches	GASCON-SHOTKIN, Suzanne GASCON-SHOTKIN, Suzanne

Higgs (new) physics: Higgs (new) physics - Auditorium Joliot-Curie (14:30 - 16:00)

time	[id] title	presenter
14:30	[4] Higgs production: yields and kinematical distributions	RE, Emanuele
15:00	[5] The alignment limit in the Two-Higgs-Doublet Model	KRAML, Sabine
15:30	[6] Higgs discussion
