

LLR IT Department

Meeting with DAS Calcul

22 July 2016

Emilia BECHEVA

Laboratoire Leprince-Ringuet

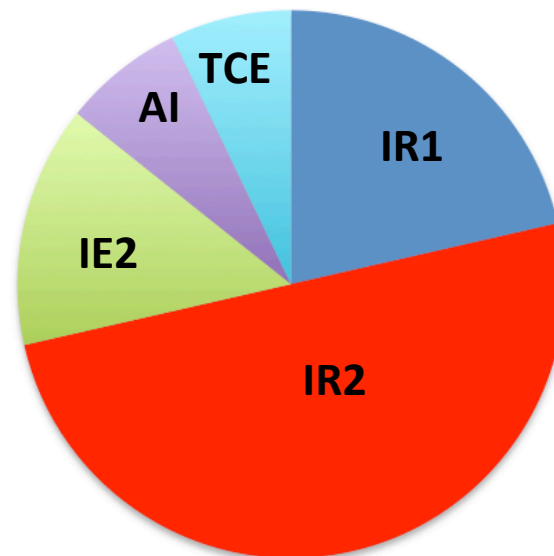

CNRS/IN2P3 – Ecole polytechnique

Manpower, July 2016 (1)

14 people :

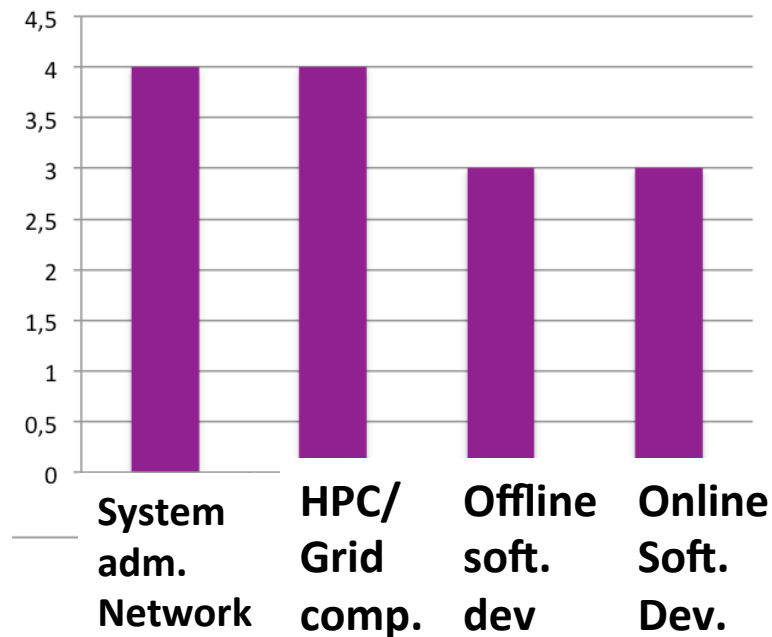

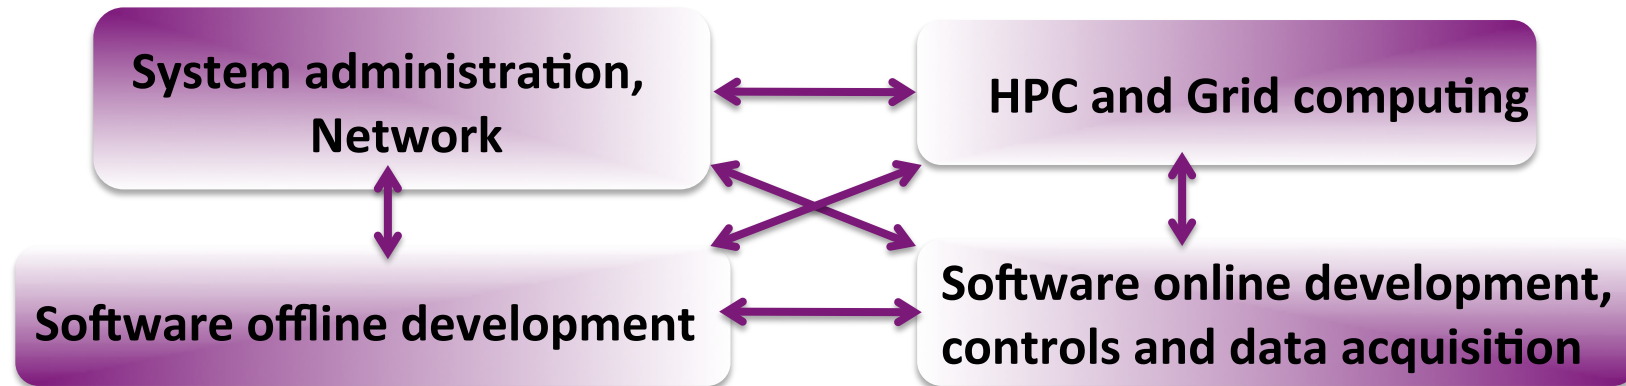

- 10 from CNRS and 4 from École polytechnique
- 13 permanent members, 1 member until the end of 2017

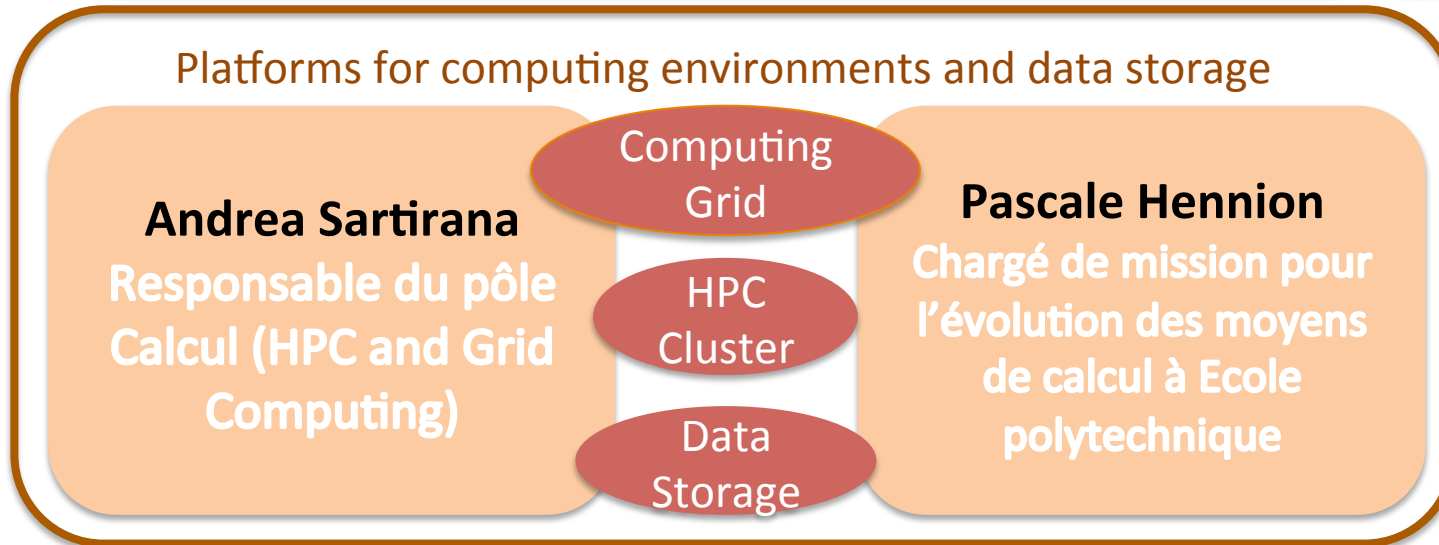

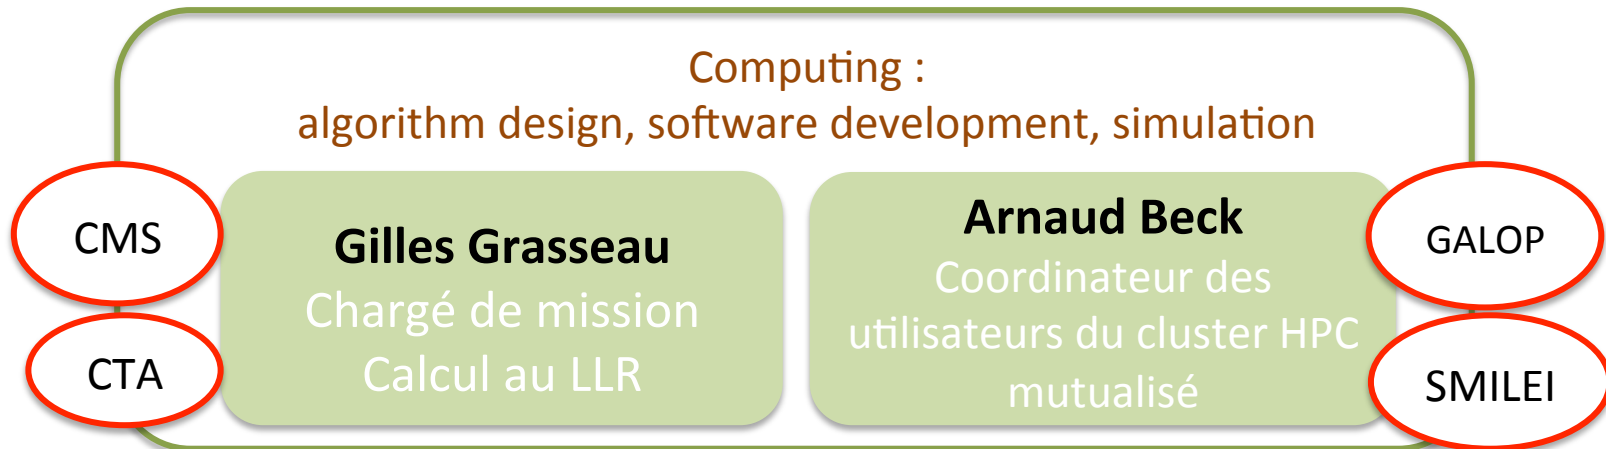

Manpower, July 2016 (2)

4 Poles

HPC and Grid Computing

Responsibilities and external participations: GRIF, VirtualData

Promoting HPC and Grid Computing

- Co-organization [Computing Training School IN2P3 2016](#)
« Parallelism for heterogeneous material » - **G. Grasseau**
- Co-responsibility for organizing HPC training at Ecole polytechnique, first edition in 2016 – **A. Beck**
- Participation in a task group for organizing HPC master's degrees under the framework « Université Paris Saclay » – **A. Beck**
- Egyptian School for High Energy Physics, 2015 – introduction to grid computing - **A. Sartirana**
- Grid computing training for Egyptian engineers – **A. Sartirana**
