

GWPAW 2017**jeudi 1 juin 2017****Continuous Waves and Stochastic Signals: Session chair: Cristiano Palomba (14:00 - 16:00)**

time	[id] title	presenter
14:00	[3] The detection of Continuous Gravitational Waves in the Advanced Detector Era	Dr LEACI, Paola
14:35	[1] Searching for the stochastic gravitational-wave background with Advanced LIGO and Advanced Virgo	Dr CHRISTENSEN, Nelson
15:10	[43] Einstein@Home all-sky search for continuous gravitational waves in advanced LIGO data	Dr WALSH, Sinéad
15:25	[32] Hunting the oxymoron: transient continuous waves from disturbed neutron stars	Dr KEITEL, David
15:40	[17] Searches for Gravitational Waves from Scorpius X-1 with Advanced LIGO	Dr WHELAN, John
