

Rencontres de Moriond EW 2009

jeudi 12 mars 2009

Young Scientists Forum 3 (17:00 - 17:40)

time	[id] title	presenter
17:00	[53] Scalar Dark Matter and DAMA	Mlle ANDREAS, Sarah
17:08	[25] Direct determination of neutrino mass parameters at future colliders	Dr KADASTIK, Mario
17:16	[32] Measurement of the relative fraction of the gluon-gluon fusion in top-antitop production process at 1.96 TeV proton-antiproton collisions using CDF	M. KIMURA, Naoki
17:24	[100] Measurement of topquark mass	M. LUJAN, Paul
17:32	[101] Is antigravity possible?	M. BEBRONNE, Michael
