

Current Trends in Flavor Physics

jeudi 30 mars 2017

Charm physics and CPV - Amphi Hermite (11:15 - 13:00)

time	[id] title	presenter
11:15	[17] Experimental Perspectives regarding the semileptonic Bs decays	Dr ROTONDO, Marcello
11:35	[38] First evidence of CP violation in baryons	M. VERNET, Maxime
11:55	[0] Searching the effects of New Physics through charm decays and interplay with b-physics.	Prof. FAJFER, Svjetlana
12:25	[1] Status and perspectives for charm physics in LHCb and Belle2.	BRODZICKA, Jolanta
