

Journées FAIR-France

Wednesday, May 17, 2017 - Thursday, May 18, 2017

Institut de Physique Nucléaire Orsay (IPNO)

Scientific Program

The FAIR facility with its principal experiments and user facilities will be presented by representatives from FAIR followed by presentations from French researchers describing their existing or future projects at FAIR. The meeting will conclude with a panel discussion in the presence of members of the direction of the IN2P3, IRFU and FAIR.
