

Space-like and time-like electromagnetic baryonic transitions

lundi 8 mai 2017

Theoretical approaches for baryon transition form factors in the space-like region (16:05 - 17:05)

time	[id] title	presenter
16:05	[12] SU(2) _C S and SU(2) _{NF} hidden symmetries	GLOZMAN, Leonid
16:35	[9] Nucleon axial form factor at large momentum transfers	BRAUN, Vladimir

mercredi 10 mai 2017

Theoretical approaches for baryon transition form factors in the space-like region (09:00 - 10:00)

time	[id] title	presenter
09:00	[13] Not all gauge invariances are equal: Why local gauge invariance is necessary for dynamic descriptions of photo- and electroproduction processes	HABERZETTL, Helmut
09:30	[10] Baryon spectrum and (transition) form factors from QCD's Faddeev equation	FISCHER, Christian
