

Space-like and time-like electromagnetic baryonic transitions

lundi 8 mai 2017

Studies of time-like electromagnetic transitions (10:30 - 11:00)

time	[id] title	presenter
10:30	[40] Studying Time like electromagnetic transitions at low q^2 in proton and pion induced reactions with the HADES experiment	SALABURA, Piotr

mardi 9 mai 2017

Studies of time-like electromagnetic transitions (11:30 - 12:00)

time	[id] title	presenter
11:30	[28] Nucleon and hyperon form factors with BES III and PANDA	SCHÖNNING, Karin

Studies of time-like electromagnetic transitions (15:00 - 15:30)

time	[id] title	presenter
15:00	[26] experimental study of the $\pi^-p \rightarrow n e^+ e^-$ reaction	SCOZZI, Federico
