

Space-like and time-like electromagnetic baryonic transitions

mardi 9 mai 2017

Vector mesons in medium and the connection with electromagnetic structure of time-like electromagnetic baryon transitions (09:00 - 09:30)

time	[id]	title	presenter
09:00	[32]	in-medium modifications of vector meson spectral function.	WAMBACH, Jochen

mercredi 10 mai 2017

Vector mesons in medium and the connection with electromagnetic structure of time-like electromagnetic baryon transitions (10:00 - 10:30)

time	[id]	title	presenter
10:00	[31]	Vector Mesons and Chiral Restoration in Hadronic Matter	RAPP, Ralf

jeudi 11 mai 2017

Vector mesons in medium and the connection with electromagnetic structure of time-like electromagnetic baryon transitions (09:00 - 10:30)

time	[id] title	presenter
09:00	[3] Dilepton radiation from compressed baryonic matter	STROTH, Joachim
09:30	[33] In Medium Vector-Meson Spectral Functions with the Functional Renormalization Group	TRIPOLT, Ralf-Arno
10:00	[34] polarization in a thermal medium	FRIMAN, Bengt
