

"Nucleon and Resonance Structure with Hard Exclusive Processes"

mardi 30 mai 2017

Session dedicated to Paul Stoler's career - Auditorium Joliot Curie (16:00 - 18:00)

-Présidents de session: Volker Burkert

time	[id] title	presenter
16:00	[23] Hommage to Paul Stoler	Dr LAGET, Jean-Marc
16:30	[24] Tomographic transversity distributions and deeply exclusive meson production	Dr KUBAROVSKY, Valery
17:00	[26] DVCS cross sections from CLAS	Dr HIRLINGER SAYLOR, Nicholas
17:30	[25] Study of the resonance region with pion electro-production	Dr BISELLI, Angela
