

The GRAND White Paper workshop

mercredi 17 mai 2017

Parallel discussion: Design and simulation: Neutrino sensitivity computation & EAS reconstruction (16:00 - 18:00)

jeudi 18 mai 2017

Parallel discussion: Design and simulation: Neutrino sensitivity computation, EAS reconstruction (10:45 - 12:00)

Parallel discussion: Design and simulation: EoR, FRBs -- experimental aspects (13:30 - 15:30)

Parallel discussion: Design and simulation: Stages towards GRAND (GRANDProto300, GRAND10k) -- experimental aspects (16:00 - 18:00)

vendredi 19 mai 2017

Parallel discussion: Design and simulation: Stages towards GRAND (GRANDProto300, GRAND10k) -- experimental aspects + preparation of summary (11:00 - 12:30)
