

# LCDM, Modified Gravity or new Dark Matter models?

## **lundi 29 mai 2017**

### **Observations - Rooms 2307 and 2302 (14:30 - 18:15)**

time	[id]	title	presenter
14:30	[0]	The radial acceleration relation of galaxies	LELLI, Federico
16:00		Coffee Break	
16:30	[1]	Constraints on the existence of particle dark matter from astronomical observations	KROUPA, Pavel
17:45	[2]	Discussion Session
