

Session Program

13–18 mai 2018

Third SVOM Scientific Workshop : Disentangling the merging universe with SVOM

Follow-up observations of GW170817

Les Houches

Ecole de Physique des Houches 149 Chemin de La Côte F-74310 Les Houches FRANCE

lun. 14 mai

14:00

Follow-up observations of GW170817

Session | Site: Les Houches, Ecole de Physique des Houches 149 Chemin de La Côte F-74310 Les Houches FRANCE

14:00 – 14:45 Review of the follow-up observations of GW170817

Orateur
D'AVANZO

14:45 – 15:15 Fermi and Integral observation of GW170817

Orateur
Frédéric Piron

15:15 – 15:45 Swift observations of GW170817

Orateurs
Julian Osborne, PAUL O'BRIEN

15:45 – 16:15 Coffee break

16:15 – 16:45 Host galaxy (+H0) of GW170817

Orateur
Nial Tanvir

16:45 – 17:05 How SVOM could have observed GW170817 in the Gamma-Ray band

Orateur
Stéphane Schanne

17:05 – 17:25 How SVOM could have observed GW170817 in the Optical band

Orateur
Alain klotz

17:30
