

Session Program

11-15 juin 2018

LSST@Europe3 - Building Science Collaborations

Session 11: LSST Science: Dark Energy/Large-scale structure/ baryon oscillations

MILC (Maison Internationale des Langues et des Cultures), Amphitheater
35 Rue Raulin, 69007 Lyon, France

jeu. 14 juin

09:00

Session 11: LSST Science: Dark Energy/Large-scale structure/baryon oscillations

Session | Site: Amphitheater | Convener: Phil Marshall

09:00 – 09:30 **Cosmological tension? New physics or new data challenges**

Orateur

Catherine Heymans

Site

09:30 – 10:00 **LSS and BAO in the era of LSST**

Orateur

Cecile Renault

Site

10:00 – 10:25 **The Second Data Challenge for the Dark Energy Science Collaboration**

Orateur

Katrin Heitmann

Site

10:25 – 10:40 **Supernova cosmology with LSST**

Orateur

Rahul Biswas

Site

10:40
