Time to say thank you

This school receives financial support from

cnrs dépasser les frontières

In2p3

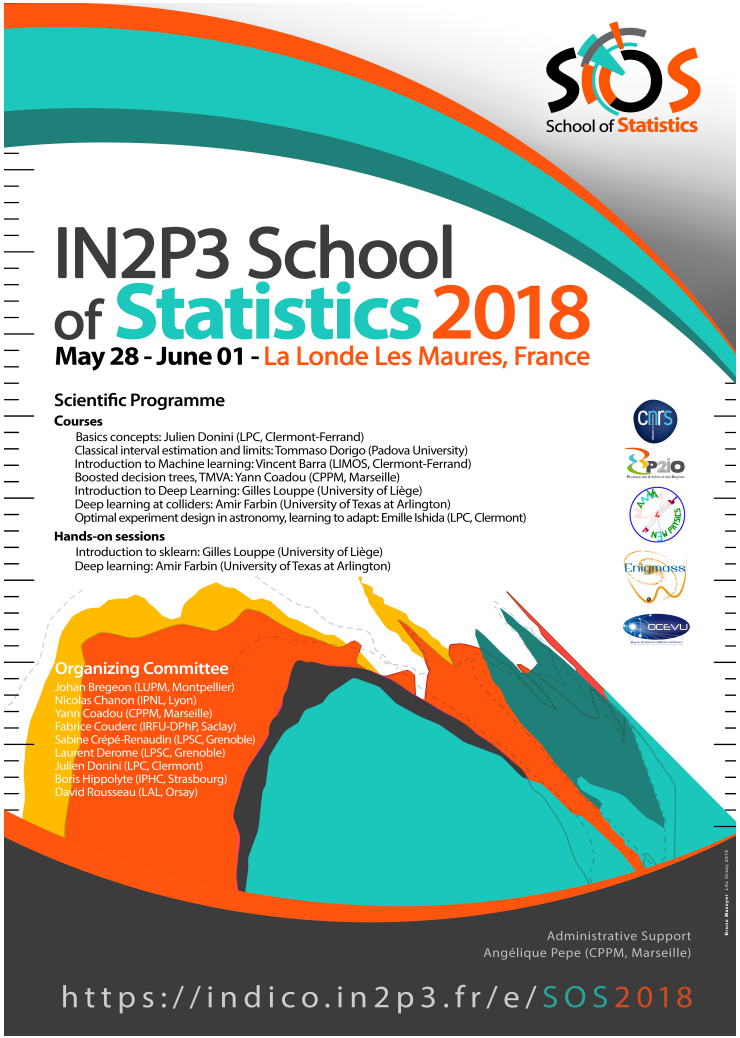
AMVA 4 NEW PHYSICS

Enigmass

P2IO Physics of 2 Infinities and Origins

OCEVU

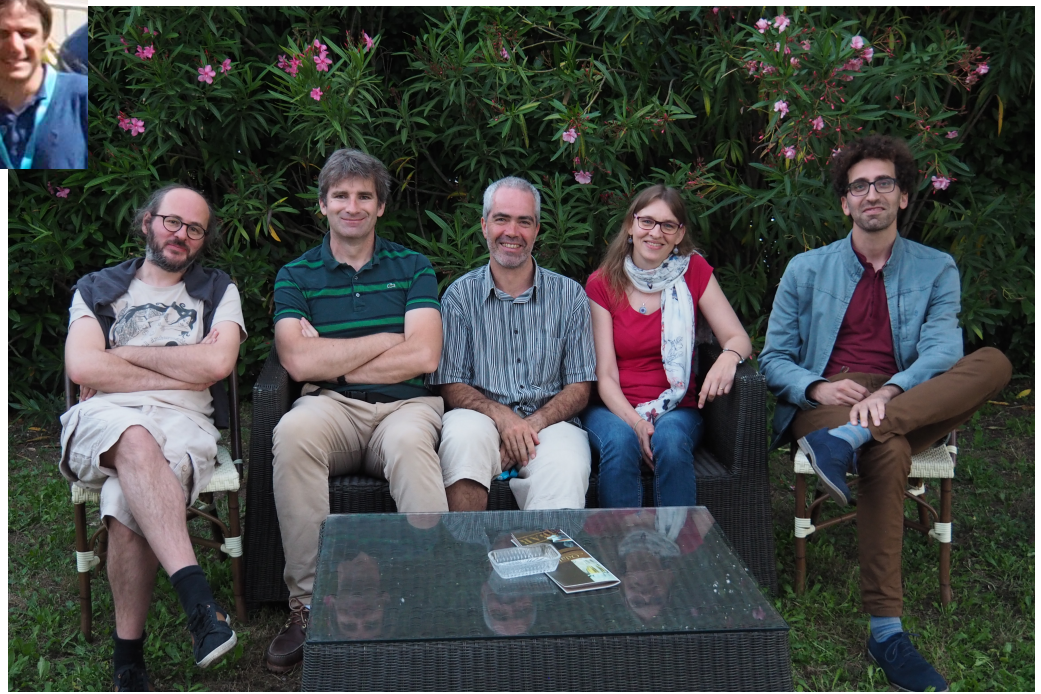
Thank you to the Odalys team



A special thanks to people behind the scene…

The CPPM admin team and especially Angélique Pepe

A special thanks to people behind the scene…



All the organizers:

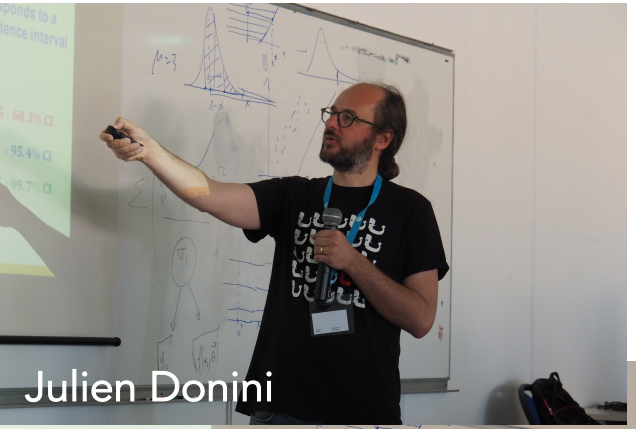
- Johan Bregeon (LUPM, Montpellier)
- Nicolas Chanon (IPNL Lyon)
- Yann Coadou (CPPM, Marseille)
- Sabine Crépé-Renaudin (LPSC, Grenoble)
- Julien Donini (LPC, Clermont)
- David Rousseau (LAL Orsay)

Could not join us this year but prepared the school for you:

- Laurent Derome (LPSC, Grenoble)
- Fabrice Couderc (IRFU-DPhP, Saclay)
- Boris Hippolyte (IPHC, Strasbourg)

School of Statistics

Thanks to our lecturers for their high quality courses

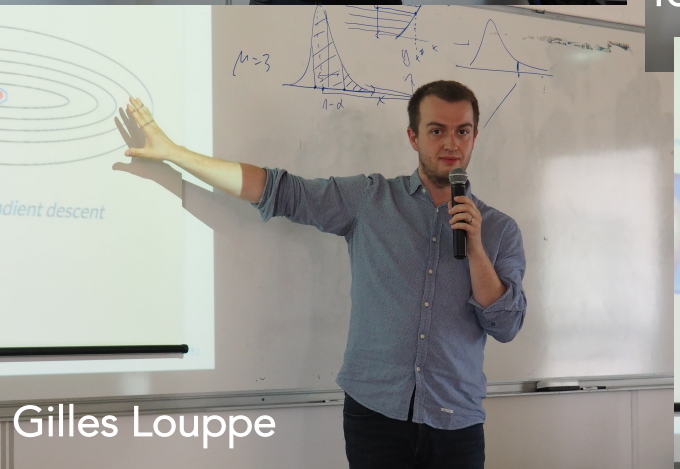


Julien Donini

Tommaso Dorigo

Yann Coadou

Emille Ishida



Gilles Louppe

Vincent Barra

Amir Farbin

And a big thanks to you !

We hope you enjoy the school…

Don’t forget to give your feedback filling in the survey!

My personal DNN tells me that at least you enjoyed this:

School of Statistics 2018
