

7th International Workshop on Ring Imaging Cherenkov detectors (RICH 2010)

lundi 3 mai 2010

Cherenkov Imaging in particle and in nuclear physics experiments (11:00 - 13:00)

time	[id] title	presenter
11:00	[36] The ALICE High Momentum Particle Identification system:an overview after the first LHC run.	Dr MARTINENGO, Paolo
11:30	[68] The Ring Imaging Cherenkov Detectors of the LHCb Experiment	Prof. MUHEIM, Franz
12:00	[35] The experience of building and operating COMPASS RICH-1	Dr TESSAROTTO, Fulvio
12:30	[14] Design, Construction, Operation and Performance of the Hadron Blind Detector for the PHENIX Experiment at RHIC	Prof. TSERRUYA, Itzhak

Cherenkov Imaging in particle and in nuclear physics experiments (14:30 - 15:00)

time	[id] title	presenter
14:30	[5] The NA62 RICH detector	Dr LENTI, Massimo
