

Introduction to the ESPP session

Ana Teixeira, Dirk Zerwas
LPC, LAL

- 1. General remarks and schedule**
- 2. The Standard Model and Beyond**
- 3. Aim of the session**

General remarks and schedule

European Strategy for Particle Physics: IN2P3 contribution

Schedule (reverse timing order):

- **2019** discussions and definition
- **Dec 18, 2018:** deadline for submission ESPP
- **September-December 2018:** editing
- **July 31, 2018:** deadline for submission to IN2P3
- **May 31, 2018:** discussion (here)

General remarks and schedule

European Strategy for Particle Physics: IN2P3 contribution

Organized and headed by: Patrice Verdier (DAS IN2P3)

4 Groupes:

- **Modèle standard et au delà:** Ana Teixeira et Dirk Zerwas
- **Physique de la saveur et mesures de précisions:** Francesco Polci et Guillaume Pignol
- **Neutrinos Long-baseline:** Dominique Duchesneau et Jaime Dawson
- **Collisions d'ions lourds au CERN:** Frédéric Fleuret et Cynthia Hadjidakis

Bottom-up process

Looking for your input:
