

FCPPL

France China Particle Physics Laboratory

FCPPL

Some of us will still have to work this afternoon... ;-)

Agenda of the Steering Committee

- FCPPL 2017 Status report
- Results of the 2018 Call for Proposals
- Discussion and validation of the procedure to process the yearly Call for Proposals
- Renewal of the LIA agreement
- Information on the status of the UMI project
- French Co-Chair-Person of the Committee
- Location of the next FCPPL Workshop
- AOB

Great thanks to all of you for having made this workshop a success!

- thank you for coming numerous to the workshop despite a very busy month of May and diverse transportation problems
- Presentations and discussions were both interesting and high level scientifically speaking
- Thanks to the speakers, the session conveners and the scientific committee, we had a world-class program
- I hope that you enjoyed your stay in Marseille and that we managed to convince you that our beautiful city is at the same time open to the world, attractive and welcoming.

Our home is your home!

Great thanks to all of you for having made this workshop a success!

- I would like to wholeheartedly thank Angélique and Esthere. They are just the best of the best, no kidding!

Their dedication, involvement and professionalism is really remarkable and was a blessing to me.

They did an outstanding job preparing, organizing and running the workshop. I would have been completely lost and would not have managed without them

Please give a huge round of applause to them 😊

- We will keep you posted on the outcome and conclusions of the Steering Committee and the actions we have to implement together (LIA renewal, UMI, ...)
- Have a nice and safe trip back home
慢慢走！
- Do not forget your lunch bag 😊
- **Long live our collaboration and friendship!**
