

GDR Neutrino meeting June 11-12 2018

mardi 12 juin 2018

Working Group GT4: Accélérateurs, Moyens de détection, R&D et valorisation (16:10 - 17:35)

-Présidents de session: Andrea Giuliani; Eric Baussan

time	[id] title	presenter
16:10	[31] The Very-Near-Site at Chooz: A new experimental hall to study coherent neutrino nucleus scattering	WAGNER, Victoria
16:40	[32] Energy calibration in the STEREO experiment	SERGEYEVA, Viktoriya
17:10	[34] Radio-detection of ultra-high energy neutrinos: an overview	MARTINEAU, Olivier
