## Physics for both infinities Summer School

The poster features a background of a complex, fractal-like pattern in shades of red and teal. The text is arranged in a vertical stack, starting with the French title 'France Excellence ÉCOLES D'ÉTÉ' in large white letters, followed by the Chinese title '优秀硕士 法国 暑期学校' in large white characters. Below this, the English text 'Pre-Ph.D. Summer Schools Scholarships available' is displayed. To the right of this text is a white map of France with several red dots indicating locations. At the bottom, there are two lines of text: 'Écoles d'été en anglais : Chimie, Sciences de la Vie, Mathématiques, Informatique, Physique, Sciences Politiques, Droit, Patrimoine.' and '英语授课：化学、生物、数学、计算机、物理、政治、法律、文化遗产'. The date 'Juillet 2017 - 2017年7月' is written in a purple banner. The bottom right corner contains logos for 'CAMPUS FRANCE' and a QR code.

**You DO NOT need to validate this ticket before getting on the train!  
But you need to keep it handy in case the train conductor wants to check it ;-)**

We were delighted to share  
these 10 days with you!

Hope to keep in touch and  
look forward to see  
(at least several of?) you  
back here at the lab

The whole 马赛 lab joins  
me to wish you a nice and  
safe trip to 斯特拉斯堡...  
and 回家!  
一路平安, 慢慢走!
