

# Journées de Rencontre des Jeunes Chercheurs 2018

## mardi 16 octobre 2018

### Nuclear physics (14:00 - 16:30)

-Présidents de session: Lucia Caceres

time	[id] title	presenter
14:00	[95] Introduction Physique Nucléaire	CACERES, Lucia
14:30	[96] PILGRIM, a future MR-tof-MS at Ganil for mass measurement and separation on exotic beam	RETAILLEAU, Blaise-Maël
15:00	[97] Hartree-Fock approach with realistic nuclear interactions from chiral effective field theory in a symmetry breaking scheme	DAO, Duy Duc
15:30	[98] Characterization of the FALSTAFF spectrometer first arm: Study of $^{252}\text{Cf}$ and $^{235}\text{U}$ fission fragments	DESHAYES, Quentin
16:00	Coffee break
