

# Rencontre de Physique des Particules

LPC Clermont, 23-25 janvier 2019

Dear Colleagues,

the Rencontres (<https://indico.in2p3.fr/e/rpp2019>) will start tomorrow - here is some (final) information that might be helpful.

- The meeting will take place in the “**Amphi Recherche**”, a round building next to the entrance of the LPC (green dashed lines with suggested paths in the campus map); **coffee & tea breaks** will be held in a room across the central hall (9105).

- **Wifi connection: eduroam** is available; for those unable to connect, try

*SSID : RPP2019*

*Password : T2eoftRdPdP-!2019*

- The **timetable** is online on the webpage; if you are a speaker, we kindly ask you to **upload your slides** using the Indico system as soon as possible; in case of difficulty, contact the organisers (copy your pdf file onto a USB stick, or send it to one of us by email).

- Inside your badge holder, you will find **coloured tickets** corresponding to the **dinner menu** choices you sent us; if these are not correct, contact us. We recall that the **RPP2019 dinner** will take place in the evening of Thursday, **January 24th, at “Le 1513”**, 3 Rue des Chaussetiers (old town, close to the cathedral). Although we will be able to cover most of the local expenses, we also kindly ask you to contribute with 20€ (directly at the restaurant).

- The **Round Table** will be on Wednesday, 23rd; you can still send suggestions of points to be discussed - either to a member of the BTP2, or then directly to the organisers.

For those who wish to connect remotely, a **renavisio** has been prepared:

Phone bridge: +33 (0)9 88 83 00 07 727405# 2019#

Desktop: [http://desktop.visio.renater.fr/scopia?ID=727405\\*\\*\\*2019&autojoin](http://desktop.visio.renater.fr/scopia?ID=727405***2019&autojoin)

(see the webpage for further details).

- The Round Table will be followed by a small **reception**. Everyone is welcome!

- On **Thursday** January 24th, a **buffet lunch** will be organised in the room in which we have the coffee & tea breaks (across the central hall, room 9105). For those wishing to have lunch on **Friday 25th**, we will all go to the **University cafeteria** (payment by credit card only).
- We remind you that to reach the campus, the easiest way is via public transportation: either by **tramway line A** (stop “**Cézeaux-Pellez**”, direction “La Pardieu - Gare” coming from the city centre), or by **bus line 13** (stop “**Observatoire**”, direction “Pérignat” coming from the city centre). There is also a public bike system in Clermont (“**C.vélo**”), with a parking dock close to the LPC. For those coming by car, there are public parkings in the Campus.
- We attach the **campus map**, in which you can find the location of the Amphi Recherche, the bus/tram stops, the biking docks, as well as the public parkings (also available from the webpage).

Wishing you a pleasant RPP2019 and stay in Clermont-Ferrand,

Jean-François Mathiot, Vincent Morénas, Jean Orloff, Ana Teixeira,  
Chandan Hati, Jonathan Kriewald
