Your supervisor(s) will meet you in the CPPM entrance hall at 13:45 to bring you at the location of your mini-project

**On Tuesday**, you will have free time to prepare a 15' (powerpoint type) presentation about the description of your mini-project, its objective, the results they managed to get, the interpretation of the results and conclusion/perspective.

(Some of) your supervisor(s) will be available in case you have questions while preparing your presentation.

We reserved some rooms at CPPM so you can work on your presentation:

*Tuesday morning 08:30-10:30 (before your French Class)*

- Salle Sormiou (130): ATLAS, LHCb groups
- Salle Port Pin (601): Cosmic Wheel 1, Cosmic Wheel 2, BAO groups
- Salle Sugiton (310): Muon Telescope group

*Tuesday afternoon 13:00-19:00*

- Salle Port Pin (601): ATLAS, LHCb groups
- Salle du Conseil (114): Cosmic Wheel 1, Cosmic Wheel 2 groups
- Amphitheater: Muon Telescope, BAO groups

**On Wednesday afternoon**, each group (all members of the group have to talk a bit) will give the presentation of their work.
