

WELCOME IN THE SVOM BURST ADVOCATE TOOL PAGE

On the Observation plan

- A. Where can I find the observation plan for each telescope and the status of the observations ?

A demonstration again !

- B. Are these infos accessible in real-time ? Any delay ?

Telescope team answer

- C. Can I have as a BA any action on the obs plan (validation, modification, etc) ?

Open discussion. What kind of actions ?

- D. If so, how can I perform those actions ?

Open discussion.
