

Journées de Rencontre des Jeunes Chercheurs 2019

lundi 25 novembre 2019

Theoretical Physics: Session I (16:00 - 18:00)

-Présidents de session: ANDREAS GOUDELIS

time	[id] title	presenter
16:00	[147] Introduction	GOUDELIS, Andreas
16:30	[148] Hadronic vacuum polarization contribution to the muon magnetic anomaly from lattice QCD	PARATO, Letizia
17:00	[118] Recasting Direct Detection Limits Within MicrOMEGAs And Implication For Non-Standard Dark Matter Scenarios	MJALLAL, Ali
17:30	[130] Dark matter searches towards WLM dwarf irregular galaxy with H.E.S.S.	ARMAND, Celine
