

GDR-InF annual workshop

lundi 4 novembre 2019

Parallel II: Relevance of $B_c \rightarrow J/\psi \mu \nu$ measurements for QGP physics: connections and perspectives (16:30 - 18:30)

-Présidents de session: Michael Winn

time	[id] title	presenter
16:30	[52] Introduction	WINN, Michael
16:50	[53] LHCb production measurements and opportunities in pp collisions	ZHANG, Yanxi
17:10	[54] Perspective for the measurement of beauty and charm hadrons in heavy-ion collisions with ALICE	GROSA, Fabrizio
17:30	[55] Study of B_c meson production in pp and PbPb with CMS	FALMAGNE, Guillaume
17:50	[56] discussion
