

# GDR QCD 2019

## lundi 25 novembre 2019

### prospectives sur les observables de l'interaction forte: part 1 - Amphi (09:00 - 10:30)

-Présidents de session: Beatrice Ramstein; Cyrille Marquet; Cynthia Hadjidakis

time	[id] title	presenter
09:00	[4] Prospectives for heavy-ion physics at LHCb in LHC Run 3-4	AUDURIER, Benjamin
09:30	[5] Transition Distribution Amplitudes...from dream to reality	PIRE, bernard
10:00	[6] the EIC project (title to be confirmed)	BOSSU, Francesco

### prospectives sur les observables de l'interaction forte: part 2 - Amphi (11:00 - 12:30)

time	[id] title	presenter
11:00	[1] Towards an ultra-low pt experiment at LHC	MAIRE, Antonin
11:30	[2] PHQMD-A Novel Microscopic N-Body Transport Approach	AICHELIN, Joerg
12:00	[3] Strange results from HADES and prospects for future	LORENZ, Manuel
