EOSC Architecture WG activities –Jean-Francois Abramatic

jeudi 27 février 2020 11:00 (20 minutes)

The EOSC Architecture WG was created in July 2019 and will work until December 2020.

The activities of the WG will be summarized with an emphasis on Authentication and Authorization Infrastructure (AAI) and Persistent IDentifiers PID).

Orateur: ABRAMATIC, Jean-Francois (INRIA)
