

Famous last words ("Farewell"...)

For the Terascale
Marie-Hélène, Ana with Tílmán

Last words - Terascale @ LPC 2021

Renewal of the IRN Terascale 2022-2025: Official green light (L. Vacavant, IN2P3)

Next meeting: hosted by colleagues from Bonn
@ Physikalisches Institut der Universität Bonn

**28 - 30
March 2022**

Next-to-next meeting: in France in the Fall, place and time TBD
Potential joint session with **GdR DUPhy** (Deep Underground Physics)

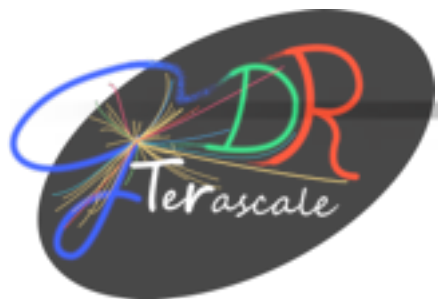

Terascale meetings: Meeting point of particle & astroparticle, th, ph & exp communities: we should make the most of it!

- Possibility to include **blocks (dedicated rooms)** for selected hands-on & informal discussion ; possibility to have round tables => contact us!
- Do not hesitate to suggest **special topics** for the workshops:
 - "B-meson decay anomalies" (ph & exp reviews) - possibly for Bonn

And/or **focused work meetings:**

- Dec 2nd-3rd: informal ([zoom](#)) meeting on
 - "Exploration of inflation with cosmological data and LHC data"

And a new logo... 😊
