

Cosmic Rays and Neutrinos in the Multi-Messenger Era

jeudi 10 décembre 2020

Transition Galactic-extragalactic + Multi-messenger - Amphithéâtre (09:30 - 10:30)

time	[id] title	presenter
09:30	[27] CR at transition experimental situation	HAUNGS, Andreas
10:00	[28] CR at transition theory	ALOISIO, Roberto

Transition Galactic-extragalactic + Multi-messenger - Amphithéâtre (10:30 - 12:30)

time	[id] title	presenter
10:30	[29] Neutrino, CR and Gamma-ray connection, theory perspective	AHLERS, Markus
11:00	[30] Connection Gamma-neutrino, experiment perspective	BUSON, Sara
11:30	[31] Minimal models of UHECR, gamma-rays and neutrino sources	KALASHEV, Oleg
12:00	[32] Discussion	SEMIKOZ, Dmitri
