Introduction to the Grid user tutorial

mercredi 4 novembre 2009 09:10 (20 minutes)

During this Grid user tutorial participants will learn how to access a gLite Grid infrastructure and how to exploit its services to run scientific applications. Additionally, future trainers following the second week of the school are invited to select several topics (e.g., gLite overview, security, ...) in order to prepare and show 20' of presentations during the teaching demo at the end of the school.

Orateur: Dr FARGETTA, Marco (INFN)

Classification de Session: Initiation to grids (November 2 to 6 2009)
