Renewal of GDR-InF

- GDR-InF is coming to the end of the first cycle (2017-2021)
- Time to ask for renewal (2022-2026)
- Steps:
 - document to IN2P3/INP by May 15th
 - recommendation of the “comité national section 01” in Autumn
- Draft of the document : <https://www.overleaf.com/9173516993dftghxzjrqt>
- Based on the 2016 proposal, but with major changes
- We ask the conveners to update/modify the section concerning their WG (many things, five years after, are obsolete)
- Each section should contain an overview of the status of the WG topics and the “Plans for the GDR”
- Proposed timescale:
 - 10 days to write the text (13/4 => 23/4)
 - 1 week to comment and modify the whole document (26/4 => 30/4)
 - 10 days circulation among GDR-InF members (1/5 => 10/5)
 - 2 days for implementing comments and finalizing
