Second ESCAPE WP5 Workshop

John Swinbank — swinbank@astron.nl

Introduction

Goals: why are we here?

- Present the *vision* for ESAP: what is it, and why are we building it?
- Demonstrate some current ESAP *capabilities*: what can you use today?
- Discuss plans for future *development*: what's coming next? how can you get involved?
- Most importantly, we want to *collect your feedback*: how can we best meet your needs?
