

Double charm tetraquark and other exotics

lundi 22 novembre 2021

Session 2 (14:00 - 16:00)

-Présidents de session: Eric Swanson

time	[id] title	presenter
14:00	[7] Tetraquarks and hother exotics, a brief history	JAFFE, Robert L.
14:30	[8] String picture of exotic hadrons	ROSSI, Gian Carlo
15:00	[9] Belle III results and perspectives	MITCHELL, Ryan
15:30	[10] Deconfined charm quarks, multi-charm hadrons and the QCD phase boundary	BRAUN-MUNZINGER, Peter
