

Double charm tetraquark and other exotics

mardi 23 novembre 2021

Session 6 (14:10 - 16:40)

-Présidents de session: Pierre TAXIL

| time | [id] title | presenter |
|-------|--|--------------------|
| 14:10 | [23] Stability of tetraquarks, lessons from atomic physics | RICHARD, Jean-Marc |
| 14:40 | [24] Results from lattice QCD | MALTMAN, Kim |
| 15:10 | [25] Heavy quark symmetry | QUIGG, Chris |
| 15:40 | [27] Discussion | |
