

# Assemblée Générale du GDR QCD

## Wednesday, May 25, 2022

### Session 6 (10:50 AM - 12:10 PM)

-Conveners: Laure MASSACRIER

| time     | [id] title   | presenter        |
|----------|--|------------------|
| 10:50 AM | [34] La distribution du gluon dans les noyaux à petit x  | LÉGER, Chloé     |
| 11:10 AM | [35] Distinguishing prompt and non-prompt : the J/Psi emancipation of Run 3 in ALICE   | COT, Corentin    |
| 11:30 AM | [36] The production of J/psi and psi(2S) as a function of charged-particle multiplicity with the ALICE experiment at the LHC | TORK, Theraa     |
| 11:50 AM | [39] Test of the CPT symmetry via the mass difference measurements of multi-strange baryons                                  | SCHOTTER, Romain |
