

Assemblée Générale du GDR QCD

mercredi 25 mai 2022

Session 6 (10:50 - 12:10)

-Présidents de session: Laure MASSACRIER

time	[id] title	presenter
10:50	[34] La distribution du gluon dans les noyaux à petit x	LÉGER, Chloé
11:10	[35] Distinguishing prompt and non-prompt : the J/Psi emancipation of Run 3 in ALICE	COT, Corentin
11:30	[36] The production of J/psi and psi(2S) as a function of charged-particle multiplicity with the ALICE experiment at the LHC	TORK, Theraa
11:50	[39] Test of the CPT symmetry via the mass difference measurements of multi-strange baryons	SCHOTTER, Romain
